Communicative Disorders Assistant

Description

At **Developing Hands** Pediatric and Family Services, we are committed to providing the highest quality of care to children and their families. Developing Hands has been servicing the community for over **14 years** as leaders in providing Therapy to children and their families across Ontario. Our **multidisciplinary** team of exceptional Therapists are dedicated to fulfilling their passions for enhancing children's functional performance and independence in everyday activities. We provide a holistic family centered approach for all services offered. At Developing Hands, we strive to offer a supportive and positive environment for **service providers** on the team.

As a **Communicative Disorders Assistant** at Developing Hands Pediatric and Family Services, the successful candidate will be responsible for providing direct, one-on-one therapy sessions under SLP supervision to infants, children and adolescents (ages 0-18) with a variety of diagnoses while adhering to the policies and procedures of the company. Services can be offered **In-Home/Schools/Daycare** (across the GTA), **In-Clinic** (two clinic locations in Mississauga) and or **Virtually** (all across Ontario).

Responsibilities

- Provide speech and language intervention under SLP supervision for children who present with a broad range of communication disorders.
- Manage an assigned caseload and contribute to the quality of care to clients through adherence to the professional standards of the Communicative Disorders Assistant Association of Canada.
- Build rapport with client families and provide family centered care.
- Support client families by providing training and resources to caregivers that will support the development of communication skills at home.
- Maintain regular contact with client families and keep them informed of treatment plans.
- Collaborate and consult with supervising SLP and other professionals.

Qualifications

- Graduate from an accredited Communicative Disorders Assistant Program;
- Registered with the Communicative Disorders Assistant Association of Canada (CDAAC);
- Professional liability insurance;
- Two years of clinical experience working with children an asset;
- Excellent communication skills, written and verbal;
- Experience with clinical pediatric population an asset;
- Well-developed clinical skills;
- Exemplary organization and problem-solving skills;
- Demonstrated ability to work effectively in a team setting;
