## Speech (Therapist) Language Pathologist – Pediatric/ Peel

### Description

At **Developing Hands** Pediatric and Family Services, we are committed to providing the highest quality of care to children and their families. Developing Hands has been servicing the community for over **14 years** as leaders in providing Therapy to children and their families across Ontario. Our **multidisciplinary** team of exceptional Therapists are dedicated to fulfilling their passions for enhancing children's functional performance and independence in everyday activities. We provide a **holistic** family centered approach for all services offered. At Developing Hands we strive to offer a supportive and positive environment for **Service Providers** on the team.

As a **Speech Language Pathologist** at Developing Hands Pediatric and Family Services, the successful candidate will be responsible for administering clinical formal and informal assessments and implementing treatment plans for **infants, children and adolescents** (ages 0-18) with a variety of diagnoses, while adhering to the policies and procedures of the company. Services can be offered **In-Home/Schools/Daycare** (across the GTA), **In-Clinic** (two clinic locations in Mississauga) and or **Virtually** (all across Ontario).

### Responsibilities

Provide SLP assessment and intervention for children who present with a broad range of speech and language concerns including articulation, fluency, language development, motor speech etc.

Manage an assigned caseload and contribute to the quality of care to clients through adherence to the professional standards of the College of Audiologists and Speech-Language Pathologists.

Support client families by providing individual and group training and resources to parents that will support the development of feeding skills at home.

Maintain regular contact with client families and keep them informed of treatment plans.

### Qualifications

Master's degree in Speech And Language Pathology

Two years of clinical experience working with children an asset

Excellent communication skills, written and verbal

Well-developed clinical skills

Registration with the College of Audiologists and Speech Language Pathologists of Ontario (CASLPO)

Demonstrated ability to work effectively in a team setting
